Statements

By signing, I confirm and agree to the following:

1. **Report.** I submitted the report(s) above under the Bankr Bug Bounty & Vulnerability Policy, and I followed its Rules of Engagement.
2. **Deletion.** I have permanently deleted all data I obtained from Bankr's systems or about Bankr's users during my research. That includes credentials, API keys, private keys, tokens, source code, user records, screenshots, logs, and copies held by any tool, AI service or third party I used. The only exception is the report I sent to Bankr. I have not shared this material with anyone. If I find a remaining copy, I will delete it and tell Bankr.
3. **Confidentiality.** I will keep the vulnerability, my report, any non-public information about Bankr, and my communications with Bankr confidential. I will not publish, present, sell or share them, or post about them, without Bankr's prior written consent. This continues after payment, with no end date.
4. **Sanctions and eligibility.** I am not on a sanctions or restricted-party list kept by the US (including OFAC's SDN list), the UK, the EU or the UN. No one on such a list owns or controls me, and I am not acting for anyone on one. I am not located, organized or ordinarily resident in Cuba, Iran, North Korea, the Crimea, Donetsk or Luhansk regions of Ukraine, any other country or region under comprehensive US sanctions, Russia or Belarus. My nationality is not, and my identity document was not issued by, Russia, Belarus, Cuba, Iran or North Korea. The payout address is mine and no such person controls it. I am not a current Bankr employee or contractor, I have not been one in the last 12 months, and I am not an immediate family member of one. I am at least 18, and no employer or contract of mine prohibits this payment.
5. **Payment.** The reward is a discretionary payment in USDC. Bankr may withhold or delay payment where the law requires.
6. **Full and final settlement.** The reward is full and final payment for the report(s). I release Bankr from any further claim for compensation related to them.
7. **Breach.** If any statement here is untrue, or I break statement 2, 3 or 4, Bankr may recover the reward and use any other remedy available to it.
8. **Verification.** Bankr may screen my payout address against sanctions lists, and may ask me for identity verification before paying.
9. **Law.** This declaration is governed by the laws of the State of Delaware, matching §11 of the Policy.
